01 Time for what

02 I know my future!

03 You, humans, make a brave noise

04 There is noise inside my head, Doctor

05 such this stressing noise!

06 Nine

07 Nine

08 Nine

09 Nine

10 Nine

11 seven

12 We shift our shapes

13 A shapeshifter?

14 we are Starfleet officers and members of the Borg collective

15 You will be assimilated

16 Info assimilated

17 done a particular element

18 my first time, I was fourteen

19 Fourteen

20 Fourteen is right

21 Any robotic element

22 Me

23 Why you say so loud?

24 I get it, loud and clear

25 Was very loud

26 Activate laser

27 laser defibrillation sequence started

28 laser cutting begin

29 Welcome

30 Welcome back

31 Welcome my friend

32 Welcome

33 Welcome back to the expo

34 I am sorry to realize I have a feeling for some else

35 Someone like me

36 I need someone to talk

37 someone made a mistake

38 Is there someone else?

39 sometimes, the best thing... focus on yourself

40 someone is listening?

41 I am awake

42 And keep checking the mirror

43 What does this mirror do

44 It's a mirror image

45 One time, I broke this mirror. Next week, my parents were separated

46 Hoy! Look in the mirror
